

“SESBİLİM” VE “SESBİLGİSİ” ALANLARINDA TÜRKİYE TÜRKÇESİ ÜZERİNE YAPILAN ÇALIŞMALAR

Kenan Oturan - Mustafa Çakır
Anadolu Üniversitesi

Bu kaynakça, Johanson'un 1990 ; Krámský'nin 1990 ; Underhill'in 1986 yıllarında yayımladıkları Türkiye Türkçesi üzerine yapılmış çalışmalarını içeren kaynakçaların genel nitelik taşıması, Demircan & Erözden'in 1990 - 1991 yıllarında Dilbilim Araştırmaları dergisinde yayımladıkları kaynakçalarda da “Sesbilim” ve “Sesbilgisi” alanlarındaki bazı çalışmaların kaynakçada gözden kaçmış olması nedeniyle hazırlanmış ve 1958-1994 yılları arasında Türkiye Türkçesi üzerine sesbilim ve sesbilgisi alanlarında yapılan Türkçe, Almanca, İngilizce ve Fransızca çalışmaları kapsamaktadır. Çalışmanın birincil amacı, Demircan-Erözden'in daha önceki yıllarda Dilbilim Araştırmaları'nda çıkan kaynakçalarında gözden kaçan çalışmaları tamamlamak olduğundan daha önceki sayılarda verilmiş eser adları bu çalışmanın kapsamı dışında bırakılmıştır. Bu çalışmada daha öncekilere ek olarak, dilbilim araştırmalarının yer aldığı dergiler, özel sayılar v.d. de alfabetik sırayla belirtilmiştir.
